EXAMINER'S AMENDMENT

The following changes are made to correct obvious minor errors in the claims. In claim 1, line 1, to have the claim be consistent with the written description, the structure is set forth as a wiper which includes the spoilers and not a spoiler that includes the spoilers. Also, as the spoilers are not riveted to the seat, use of "being riveted to" has been changed to --extends from--.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims

In claim 1, line 1, delete "spoiler",
line 11, change "being riveted to" to ---extending from---,
line 20, delete "were",
line 21, delete "a" and "the".

In claim 2, line 1, delete "spoiler".

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The claimed wiper defines a unique combination of components not set forth by the prior art. In particular, one that includes both front and rear spoilers, wherein the front spoiler has an S shape corrugation, a long slot, two shorter slots and open ends. Wherein lower edges of the long and short slots are provided downwardly with a curved section. Also, wherein the rear spoiler has a lower central part and both ends slightly elevated and includes an outer edge being downwardly provided with a curved section.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
